

The St Pancras Vision

That we should be a Christ-centred community identifying, understanding and meeting the needs, body, soul and spirit of the people in our parish, the wider locality and overseas, to whom God is calling us.

Just a thought...

We want those we love to have a full and happy life. God is no different; he loves us and wants only good things for us. He is not the killjoy so many of us think he is; on the contrary he wants us to enjoy life in all its fullness. Are you enjoying the life God wants you to have or have you settled for less? Why don't you ask God to show you his wonderful will for your life today?
